Sir:

The following remarks are submitted in response to the Office Action dated November 30, 2002.

REMARKS

Favorable reconsideration and allowance are respectfully requested for Claims 1-32 in view of the following remarks.

It is noted with appreciation that Claims 5-7, 22, and 23 are deemed allowable.

Responsive to the election requirement, Applicants hereby provisionally elect the species relating to riveting. This election is made with traverse. The traversal is on the grounds that the Office Action notes Claim 5 is generic to a plurality of disclosed patentably distinct species comprising the stamped parts being riveted, soldered, or welded. However, Claim 5, which depends from Claims 1 and 4, does not contain the limitation that the stamped parts are
